**CEM at the 2019 Philippine Education Conference**

CEM was one of the exhibitors in the 2019 Philippine Education Conference held on December 3 to 4, 2019 at SMX Convention Center, Pasay City. With its theme: Responsive Policies And Practices Towards The Development Of The Philippine Education Sector, this conference aims to highlight the need for policies and practices that are responsive to the needs of learners and schools for the development of the education sector. Specifically, it encourages

discussions on operationalizing the complementarity between private and public schools in the areas of education financing and quality assurance. It also features school initiatives in terms of policies and programs that address emerging issues that affect today’s learners. It was organized by the Private Education Assistance Committee (PEAC) and attracted more than 2,000 attendees all over the country.
